INTERIOR

New 8 Passenger Interior completed in beige Townsend leather with complimentary tan carpets was completed by Flying Colors, Saint Louis, 2014. 4 pedestal seats in a mid cabin club configuration, aft cabin 3 place divan and a Fwd side facing Belt-ed Lavatory Seat. The lavatory is separated from thr main cabin by a sliding cabin door and from the cockpit by a heavy curtain. Airshow 410 includes a 10 inch monitor on the RH Fwd Bulkhead. 2 Mid cabin executive foldout tables, cabinetry and side rails are completed in high gloss dark cherry with bronze metal cabin furnishings. Tan patterned low-er sidewalls with complimentary beige sidewalls and headliner complete this tasteful interior.

Specifications subject to verification upon inspection. Aircraft availability subject to prior sale and/or withdrawal from the market.
EXTERIOR

Complete strip, PPG anti-corrosion chromated primer base coat w/ Matterhorn white and gray and black accent stripes completed by Flying Colors in 2014.
THE WINGS OF YOUR BUSINESS

Aeromanagement Group was founded in 1983 with the sole purpose of expanding the international jet trade between the United States and Europe. Over 30 years later, Aeromanagement has expanded its horizons, conducting more than six hundred aircraft transactions, managing aircraft and providing logistics support to all corners of the globe.

Aeromanagement is one of the most reputable aircraft management and brokerage firms in the aviation industry, recognized by many clients as honest, and dependable. With the combined management force of Aeromanagement USA and Aeromanagement Europe, we have the ability to reach and respond to clients across the world.

With more than three decades of experience, over 600 successful aircraft transactions, and over 50 airplanes managed worldwide, Aeromanagement is one of the leaders in the aircraft services industry.
