Gulfstream G450, S/N 4304

Interior:
Passenger Seating Capacity: Thirteen (13) Approved for TT&L
Jump Seat: Yes

Configuration, Storage & Miscellaneous:
This thirteen passenger Aft Galley Elite Interior features a three-zone cabin configuration consisting of a forward 4-place club, a mid-cabin left-hand 2-place club opposite a 3-place berthable divan, and an aft cabin left-hand 4-place conference group opposite a credenza. The Elite manual control cabin single and double seats offer various degrees of adjustment, including berthing capabilities, and all single seats have foot rests. The main entryway has vestibule acoustic door. Various closets and storage compartments are located throughout the interior, manually operated console tables are at each club seating area, and the conference group features a telescopic table with folding leaves. 115V/60Hz outlets are located throughout the cabin, and the interior features electric pleated window shades with diffusing and black-out functions.

Cabin Management & Entertainment:
The Gulfstream Cabin Management System (GCMS) features vestibule and galley master touch-screen control panels, iPod touch passenger control units, and capacitive controls. Audio/video equipment includes a dual-slot Blu-ray/DVD/CD player with dual 160GB media servers, an external color camera system, a 24” forward right-hand cabin bulkhead widescreen HD LCD monitor, a 19” widescreen HD LCD credenza monitor, six (6) 12.1” widescreen HD LCD personal monitors, Gulfstream’s CabinView™ passenger flight information system, Honeywell AIS-2000 satellite television (DIRECTV®), and various auxiliary audio/video ports including HDMI and USB.

Communications & Data:
Satellite communications are available through Honeywell Inmarsat and Aircell Iridium satellite communication systems via Aircell crew handsets and cabin iPhones. Gogo Biz® ATG 4000 broadband internet and Honeywell SwiftBroadband satellite internet are available via Wi-Fi.

Interior Finishes:
The interior features “Ciricote” gloss veneer, “Fine Antique Bronze” decorative plating, and “Canterbury” quartz polymer countertops. “Teller Wave w/Silk” carpet is installed in the vestibule, cabin and aft lavatory, while Bolon vinyl flooring is installed in the galley. The cabin’s headliner and PSU panels are covered in “Pale Beige” Ultraleather®, the upper sidewalls are finished in “Ivory” fabric, the lower sidewall ledges are covered in “Toffee” leather, and the lower sidewalls are finished in “Pine Cone Brown” leather. The cabin single and double seats are finished in “Java Nut” leather, and the divan is covered in “Ecorce” fabric.
Gulfstream G450, S/N 4304

Interior continued:

*Galley*: Aft
Galley and galley annex equipment highlights include lighted countertops, a stainless sink with faucet, an Iacobucci espresso maker, an Iacobucci coffee maker, a microwave, a convection oven, gasper-cooled food storage, dual stainless ice drawers, and several storage closets and drawers. The cabin credenza features a gasper-cooled wine storage compartment.

*Lavatories*: Forward & Aft
Both externally-serviced lavatories feature a vacuum toilet and a vanity with sink and faucet.

*Baggage Compartment*:
The in-flight accessible aft baggage compartment features a net, coat rods, and lighting.

*Exterior*:
The exterior is painted overall “Snow White” with “Medium Concorde Blue Pearl”, “Titanium Pearl”, “Smoke Gray” stripes.
